

Pupil Parliament Meeting Minutes

10th November 2023

This month we asked...

What opportunities are there for achievement through out of school learning and activities?

What would make this better?

Discussion

What opportunities are there for achievement through out of school learning and activities?

- Different types of clubs: dance, football, swimming, rugby
- Sharing our work with younger classes
- Seesaw and Twitter
- Displaying our achievements on the sports achievement board
- Outdoor learning with our class
- Talking in front of the class to share our learning and achievements

What would make this better?

- More variety in the clubs we have on offer
- Clubs for younger pupils too
- Sharing at assembly
- Recognition rather than reward for our achievements
- Rather than a sports achievement board, change to all achievements.

Decisions

- Ask P7 Sports Leaders to run some clubs at break and lunch. Including non sporty ones. – Nicole
