

Pupil Parliament Meeting Minutes

25th January 2023

This month we asked...

How do we record our achievements in and out of school?
How might this be improved?

Discussion

HGIOurS – Discussed this document and where our questions for the Pupil Parliament and Class Councils come from.

We discussed the responses from our padlet and highlighted the ones we thought sounded good or were interesting.

- Times in class to share achievements
- The achievements wall
- Not everyone realising that you can bring in your achievements from out of school
- Assemblies – this takes up lots of time and can be quite boring for others
- Using twitter means that others outside of school see our achievements.
- Would be good to share what we are doing in school with the Polmont Community

Decisions

- Mrs Johnston to talk about achievements board at assembly and share that anyone can bring in achievements from outside of school and go to Miss O'Brien in the afternoon for a photo for the wall.
- Every class to have a specific time each week where achievements can be shared and discussed. This could be like a show and tell or in learning journals.
- Make use of twitter to share our achievements
- Contact Community Council about a newsletter or their social media that we could also share a bit about the school on.

What has been the impact, what has changed?
