

The key components all lessons must have:

Introduction:

- Ensure appropriate pace
- Hook in learners (first in a series or introducing a new topic)
- Contain our learning 'road map'
- Build & share LI around relevant CfE level + SC built around how children will know they are successful.
- Link learning to progression pathways
- Re-cap on prior learning (where appropriate)
- Build in a few well planned higher order/open questions to encourage higher order thinking
- Ensure learning powers are discussed and referenced

Learning and teaching/Task

- Revisit LI/SC throughout
- Provide clear and concise instructions
- Provide an appropriate format for instructions – verbal, written and pictorial
- Check for clarity and understanding
- Model/scaffold learning
- Planned differentiation
- Pace – chunking, feedback and sharing, deadlines
- Regular planned check ins for support & further challenge

Plenary

- Well planned open, assessment questioning
- Opportunities to share learning
- Provide feedback linked to LI/ SC
- Discussions about next steps
