

Building Strong Partnerships Between Staff, Pupils, Parents/Carers and The Wider School Community

Vision, Values and Ethos in St. Margaret's Primary School and Nursery Class

We are striving to build a community which reflects a happy, secure and caring environment where all stakeholders: Staff, Pupils, Parents/Carers and The Wider School Community are Valued, Motivated and Encouraged to be the Best They Can Be...

.....We strive to ensure this ideal

Dear Parent/Carer

We have a had a request from some parents for websites that would be helpful to support their child's learning. As a school we felt all parents may like this information. Below is a list of websites that have a host of mathematics and language games that can be accessed through the internet. This list is not exhaustive but these would be a good starting point for households who may want to use these recommendations.

Mrs Johnston (Principal teacher) is the school ICT co-ordinator and is in the process of creating Education City accounts for each individual child to access in school and as part of their learning log homework. This information will be shared with parents/carers in due course.

Should you have any queries regarding the above please do not hesitate to contact the school.

Yours sincerely
